HERITAGE FOUNDATION

*A fun-filled outdoor adventure in support
of the Muskoka Heritage Foundation*

What is GeoCaching?

It's a high-tech "treasure" hunting game enjoyed by adventure seekers young and old, families, friends or co-workers, who are equipped with a Global Positioning System (GPS) and the desire to have some outdoor fun!

About the Muskoka GeoCache Bash

The MGCB will challenge both experienced and novice cachers to discover Muskoka's unique environment. Caches will be located in areas that are significant to our natural, cultural & built heritage. Participants must register in teams of 4. Each team member must raise a minimum of \$250.00 in pledges. Tax receipts will be issued for pledges of \$20.00 or more. Funds raised from the event will support MHF programs and activities.

About the Muskoka Heritage Foundation

Founded in 1987, the MHF is a volunteer-based, registered charity dedicated solely to the protection and enhancement of Muskoka's unique natural, cultural and built heritage. Our partners are the Muskoka Heritage Trust and the Muskoka Watershed Council.
