What is GeoCaching?

It's a high-tech "treasure" hunting game enjoyed by adventure seekers young and old, families, friends or co-workers, who are equipped with a Global Positioning System (GPS) and the desire to have some outdoor fun!

**About the
Muskoka GeoCache Bash**

The MGCB will challenge both experienced and novice cachers to discover Muskoka's unique environment. Caches will be located in areas that are significant to our natural, cultural & built heritage. Participants must register in teams of 4. Each team member must raise a minimum of \$250.00 in pledges. Tax receipts will be issued for pledges of \$20.00 or more. Funds raised from the event will support MHF programs and activities.

**About the
Muskoka Heritage Foundation**

Founded in 1987, the MHF is a volunteer-based, registered charity dedicated solely to the protection and enhancement of Muskoka's unique natural, cultural and built heritage. Our partners are the Muskoka Heritage Trust and the Muskoka Watershed Council.
