Kahshe Quest 3 - 2022

Instructions

Part 1

The what3words Quest

On the Answer Pages following these instructions you will find a list of 30 locations (20 word signs and 10 distinctive features) on Kahshe and Bass Lakes, and 7 Bonus Questions.

The 30 locations are to be visited in any order by **noon** on **Sunday August 14th**.

Each **what3words** address is located within 50 metres (150 ft) of the sign or distinctive feature you are looking for.

You do **NOT** have to be, and rarely will be, in the 3 metre square of the address when you take your picture. In some cases the sign will not be visible from the **what3words** address or the **what3words** address will be on a dock or on the shore and Rule 3 (see below) states that you **must not** go ashore.

In order to prove that you were there, you must take a photograph of the same team member(s) at each location with the sign or distinctive feature clearly visible and recognisable in the background.

Rules

- Rule 1. Stay safe.
- Rule 2. Have fun.
- Rule 3. All pictures should be taken from the water. Do **not** trespass on private property.
- Rule 4. Play fair. Do **not** steal any of the signs since this would involve breaking Rules 1, 3 and 4.

It is **strongly recommended** that you travel by **paddle** power or in a **small engined** tinny. Leave the big boats at home. Who can afford the gas anyway?!!!

My thanks to the organisers of the **Regatta**, the **Fishing Derby** and the **5K Run**, to **Denne's**Marina and to all the sign hosts for being part of Kahshe Quest 3.

Part 2

The Quest Short Story

- 1. This part is **optional** and intended mainly for Youth participants, although I would be delighted to receive Adult offerings also.
- 2. Write a **Quest** story of 300-1500 words, incorporating at least 15 of the 20 words you have found and 5 of the 10 distinctive features, NOT the locations themselves, just the type of feature. Bonus points will be awarded for using more than 15 or 5.
- 3. Your quest can take place anywhere and anywhen. Let your imaginations run riot. The best entries will be published in the Krier over the next few issues.
- 4. Please use <u>Times New Roman 15pt</u> or <u>Helvetica Neue 14pt</u> and <u>highlight the</u> **first occurrence only** of all the **sign words and features** that you used in your story.

Bonus questions

<u> </u>
 What purpose do the ducks at comical.bolsters.chinos serve? No asking the owners. Figure it out for yourselves.
2). a. What are the names of the 2 rivers that flow into Bass Lake? b. Which one were you at?
a) b)
3). a. Where would you normally find examples of the distinctive feature at mitigating.lengthen.struggle? b. What are they called? Again, no asking the owners.
a) b)
4). At which two locations could you safely take one photograph (with team member) to prove you were at both?
Prove it!
5). What are the two names commonly given to the distinctive feature at floats.yearbooks.products? Again, no asking the owners. Prove that you are true Kahsheites and that you read the report of the 2021 Quest in the Krier.
6). Which of the 90 words making up the 30 what3words addresses is best suited to be in a Quest story? Feel free to use it in your story.
7). Did you have fun doing the Quest? Be careful! This is a trick question. There is only one correct answer! The wrong answer will disqualify you!!!
